

BMS 3rd RESEARCH SYMPOSIUM 2026

DATA TO DECISIONS

Intelligent Transformation in Life Sciences & Management

Mount Lavinia Hotel, Colombo

14 October 2026

Oral Presentations - Specifications and Guidelines for authors

1. The time allotted for your presentation is 10 minutes with a 5-minute discussion session following the presentation, where members of the panel may pose questions to you. The number of PowerPoint slides may not exceed 12.
2. Display the reference number given by BMS at the top left corner of the provided title slide. [Please note that using the symposium title slide is mandatory. The rest of the slide design may be as per author preference].
3. The first slide of the PowerPoint presentation should have a heading that includes the title, author(s) names and their affiliation(s), as provided in the accepted abstract.
4. The presentation should include a clearly organised structure with introduction of the topic, objectives, methodology, results, discussion and conclusion. You are required to provide evidence by use of in-text and end-text citations.
5. A full explanatory title/ figure legend is required for the tables, illustrations, figures, photos, or diagrams used.
6. Failure to be present at the time allocated for the oral presentation will be considered as non-presentation of the Abstract for the Research Symposium.
7. Dress code for the symposium: Business Formal
